- 🌟 Gift of Grace Food Manufacturing Corporation proudly takes part in the Presidential Awards Presentation of Finalists! 🌟 We are deeply honored to be recognized as one of the outstanding finalists 🇵🇭 Our CEO Satur Cadsi and COO Ma'am Janice Cadsi proudly represented Gift of Grace. Ma'am Janice Cadsi, passionately shared the inspiring story, values, and milestones of Gift of Grace in front of the distinguished panel of judges composed of highly-esteemed officials of various Government Agencies. 🙌 Her talk highlighted how our company champions productivity while upholding integrity and care for our employees and community. ❤️ 👥💖 Awaiting for the conferment on July at the Malacañang Palace! 🎯🏆🌟
- **Gift of Grace Honored as One of the Inspiring Filipina Entrepreneurs 2025!** 🎉👏 We are beyond grateful to be recognized as one of the Inspiring Filipina Entrepreneurs 2025 by Go Negosyo and the Department of Trade and Industry (DTI)! Out of hundreds of businesses, Gift of Grace stands proud among outstanding companies dedicated to empowering women and driving economic growth. This prestigious award was presented at Ayala Malls, Parañaque City, graced by First Lady Liza Araneta-Marcos and joined by 2,000 inspiring women entrepreneurs who continue to break barriers, create change, and be empowered leaders in their industries. We are also proud to share that our Chief Operating Officer/ Operations Manager, Janice Cadsi, received the award on behalf of Gift of Grace Food Manufacturing Corporation, a true testament to her dedication and leadership. This recognition fuels our passion to continue uplifting and empowering more Filipinas through entrepreneurship. Here's to dreaming bigger, working harder, and inspiring others! #InspiringFilipina2025 #GoNegosyo #DTI #WomenEmpowerment #FilipinaEntrepreneurs
- 🌟 **INSPIRING FILIPINA ENTREPRENEURSHIP AWARD** 🌟🇵🇭 I am beyond honored to be recognized as a Go Negosyo Inspiring Filipina Entrepreneur 2025! This journey has been filled with challenges, sacrifices, and unwavering faith, but today, I celebrate not just my own efforts but the dedication of our entire team at Gift of Grace Food Manufacturing Corporation. This award is a testament to our mission—to uplift communities, empower local farmers, and create innovative food products that bring value to Filipino families. To my husband, our hardworking team, our loyal customers, and our incredible partners—this recognition is ours to share! To every woman out there dreaming of starting something meaningful, know that your passion and perseverance can lead to greater heights. - October 24, 2025 An Inspiring Journey Towards Excellence and Integrity 💚 Gift of Grace Food Manufacturing Corporation proudly celebrates the inspiring journey of Mr. Satur Cadsi, who recently shared his heartfelt testimony and experiences on Halal certification. In his sharing, Mr. Cadsi

emphasized that Halal is not merely about compliance, but a reflection of values — honesty, respect, quality, and genuine care for consumers. He reminded us that every product we create carries a purpose: to serve with sincerity, uphold high standards of quality, and honor values that foster trust on every Filipino table. We extend our sincere appreciation to the Halal Program and the Department of Trade and Industry (DTI) for providing a platform to learn, share, and promote integrity and inclusivity within the food industry. Through Halal certification, Gift of Grace Food Manufacturing Corporation proudly ensures that our products cater to our Muslim friends, fostering inclusivity and trust among all communities. We invite everyone to experience our products — made with honesty, passion, and care for all. ❤️ Check our products at Shopee: <https://ph.shp.ee/k5ZzgF6> or message us directly here in our Facebook page. #GiftOfGrace #HalalCertified #SirSaturSharing #HalalAwareness #DTIBaguioBenguet #QualityAndIntegrity #InspiringJourney #ProudlyPhilippineMade #DTIpartner #DTIPhilippines #inclusiveforall,

- From DOST Baguio - Benguet:
  - ***Gift of Grace Food Manufacturing Corporation: CAR's Exemplar of Innovation and Entrepreneurial Spirit*** Gift of Grace Food Manufacturing Corporation (GoGFMC) has been named CAR's 2025 Regional Best SETUP Adopter and was conferred the Innovativeness Award during the Regional Science and Technology Week (RSTW) in CAR's Opening and Awarding Ceremonies held on August 7, 2025, in Baguio City. As a result, the company will represent the region in the upcoming National SETUP PRAISE Awards in November 2025. Based in Baguio City, GoGFMC is a homegrown food processing enterprise owned and operated by Mr. Satur and Mrs. Janice Cadsí. What began as a modest kimchi-making venture has since flourished into a dynamic enterprise, thanks in part to the support of the Department of Science and Technology's Small Enterprise Technology Upgrading Program (SETUP), which the company joined in 2019. By 2024, GoGFMC had achieved an increase in annual sales equivalent to more than double its 2018 baseline when it first sought SETUP assistance. Additionally, from 88 market outlets in 2019, the company expanded to 247 outlets by 2025, marking a 181% increase in distribution channels. From its initial kimchi offering, the company strategically broadened its product line to include tofu, rice coffee, pickled radish, chicken pastil, Spanish-style bangus sardines, and frozen mixed vegetables. This product diversification aligns with the company's vision "to produce at least 10 different varieties of quality and healthy food by 2025." Innovation has remained central to GoGFMC's growth. Its administrative, financial, and back-end operations are now supported by a proprietary system named after the company, developed in-house by Mr. Cadsí. In its pursuit of expanding to new markets, GoGFMC partnered with Abra State Institute of Science and Technology (ASIST) and Mountain Province State University during DOST-CAR's Cordinnovation 2025, for the design of a packaging solution that will support its distribution capabilities. Beyond product innovation, the company

places strong emphasis on people development. This includes employee training programs, educational scholarships, and their flagship initiative, the “Social Inclusion through Bawang Peeling Program,” which provides livelihood opportunities for senior citizens and local housewives as garlic peelers. Additionally, GoGFMC has strengthened its commitment to circular economy principles, aiming for the repurposing of its biodegradable waste. In recognition of its achievements, GoGFMC was also named a finalist for the 2025 Presidential Award for Outstanding MSMEs under the Small Business Category, further solidifying its role as a model of innovation, inclusion, and entrepreneurial excellence in the Cordillera region

- The DOST-CAR extends its **congratulations** to the **Gift of Grace Food Manufacturing Corporation** for securing another recognition as a **2025 Presidential Award for Outstanding MSMEs Finalist** under the **Small Business Category**! The Gift of Grace Food Manufacturing Corporation (GoGFMC) was likewise awarded recently as the **DOST-CAR’s 2025 Regional Best SETUP Adopter** during the RSTW in CAR Opening and Awarding Ceremonies on August 7, 2025 in Baguio City. They shall represent the region in the upcoming National SETUP PRAISE Awards in November 2025. The company is a homegrown food processing enterprise based in Baguio City. Owned and operated by Mr. Satur and Mrs. Janice Cadsí, the company began as a small kimchi-making venture and formally scaled operations with support from the Department of Science and Technology’s Small Enterprise Technology Upgrading Program (SETUP) in 2019. Since then, GoGFMC has evolved into a multi-product manufacturer, supplying 245 market outlets across the Philippines. In 2024, the company recorded substantial increase from its 2018 baseline when it first applied for SETUP assistance. Starting with kimchi, GoGFMC strategically expanded its product line to include tofu, rice coffee, pickled radish, chicken pastil, Spanish-style bangus sardines, and frozen mixed vegetables. This growth supports the company’s vision “to produce at least 10 different varieties of quality and healthy food by 2025.”
- Gift of grace have great pride on recognizing local produce home grown from their own region stating “Stable markets for farmers, fresher food for us. 🌱 Let’s source local, let’s go local!”
- IN PHOTOS | DTI Cordillera Administrative Region and the Cordillera MSME Council present the 2023 to 2028 MSME Development Plan at Golden Pines Hotel, Baguio City. The Micro, Small, and Medium Enterprise (MSME) Development Plan 2023-2028 features our comprehensive strategy to boost the agility and resilience of our MSMEs in an increasingly interconnected and innovation-centric business environment. It is a systematic roadmap that lays out the necessary steps that we have to take to fortify our position at the forefront of international commerce. It also aligns seamlessly with our shared goal of harnessing the intrinsic entrepreneurial spirit and dynamism of our people to propel our nation towards a trajectory of exponential advancement. A total of 95 participants, comprising representatives from Local Government Units, Regional Line Agencies, and MSMEs across the region, gathered to discuss the specifics of the plan as well as the identified challenges in its implementation. Panel discussions will also be conducted for the day to tackle pressing issues.

- On May 30, 2025: Hello Ka-Kimchi! Because of your unwavering support, we're overjoyed to share that our scholar has successfully completed her journey from high school to culinary school! 🎓📖 Through your continued patronage, not only were we able to help fund her education, but we also provided her with part-time work while studying — giving her extra allowance and valuable experience along the way. Every pouch of kimchi you purchase directly supports our small community, helping alleviate poverty and empowering our scholars to pursue their dreams. This is not just our victory — it's ours, together. From the bottom of our hearts, maraming maraming salamat po for being part of this journey. Together, we can make a difference — one life at a time. ❤️ GLORY TO GOD in the highest from whom all blessings flow! 🙌🙌🙌 #KaKimchi #ScholarshipJourney #SupportLocal #EmpowerThroughEducation #ThankYou #socialenterprise
- On May 27, 2025: 🌟 GIFT OF GRACE IS NOW OFFICIALLY HALAL CERTIFIED 🌟 Gift of Grace Food Manufacturing Corp., alongside other MSMEs, is honored to participate in the 2025 United Nations Association of the Philippines (UNA-Philippines) "Pamana at Kultura" forum. This event marks a significant milestone for us as we proudly announce that our products have received Halal certification! We are excited to contribute to promoting Halal cultural visibility and, with respect, provide

quality food to our Muslim friends. A special thank you to Ma'am Amielyn Limbona of Arkat Lawanen Inc. and the Fiqh and Halal Council of the Philippines for their invitation and continued support in making MSMEs vital partners in this important goal. The certification was graciously received by the owners, Mr. Satur and Mrs. Janice Cadsí

Our products wouldn't reach shelves (or doorsteps!) without your hustle and heart. From early morning hauls to late-night drop-offs, you keep us moving. Literally. We see you, we appreciate you, and we couldn't do this without you. Keep rollin' strong!
- On May 10, 2025: Gift of Grace Food Manufacturing Corporation's Co-Founder Featured in Business Manual Magazine Empowering Communities and Pushing Forward with a Mission-Driven Vision Janice Osenio Cadsí, Co-founder and COO of Gift of Grace Food Manufacturing Corporation, has been featured together with other Inspiring Filipina Entrepreneurs (who are leaders in their own industries) in the recent issue of Business Manual Magazine, recognized for her inspiring journey in building a purpose-driven enterprise that empowers local communities and promotes sustainable food innovation. The article highlights Janice's transition from a former insurance agent and registered nurse to a full-time entrepreneur and advocate for local farmers and mothers seeking livelihood. Gift of Grace has become a growing force in Northern Luzon's food manufacturing industry, partnering with Cordilleran farmers and supporting stay-at-home mothers, single parents, and senior women through meaningful work opportunities. "This recognition is not only a personal milestone but a celebration of every person behind Gift of Grace," says Janice. "We remain committed to our mission—to provide a source of living and extend blessings through our products. Our vision is clear: to develop ten more innovative offerings that reflect our passion for quality, community, and sustainability." Gift of Grace currently produces a line of proudly local products under the Rene's Gourmet brand, including Chicken Pastil (Original and Spicy) and Spanish-Style Bangus Sardines. The company continues to gain support from both institutional partners and retail customers. With its Business Manual feature, Gift of Grace reaffirms its commitment to growth with heart, innovation with purpose, and leadership with compassion. - The DOST-CAR, in partnership with TARAKI-CAR, successfully facilitated the MSME Reverse Pitching: A Call for Smart and Innovative Solutions on April 2, 2025, at the Agricultural Training Institute (ATI-CAR) in La Trinidad, Benguet. This innovative approach, micro, small, and medium enterprises (MSMEs) from the Cordillera region presented their science, technology, and innovation (STI) challenges directly to researchers. The participating MSMEs applied insights gained from the pre-activity workshop on needs and problems identification held on March 20, 2025. In the afternoon, collaborative brainstorming and ideation sessions were conducted to develop potential solutions for these industry-specific challenges. Solutions generated from the activity will be pitched at the 2025 Cordinnovation Pitching Competition on April 10, 2025 where the researchers will present their concepts and compete for substantial funding opportunities and comprehensive implementation assistance. Winners of this competition will represent the Cordillera Administrative Region (CAR) in the Northern Luzon Innovation and Technology Transfer Pitching Competition on April 23-25, 2025 in Baguio City. This initiative aims to bridge the gap between MSMEs' practical needs and the scientific community's expertise, creating meaningful collaboration that addresses challenges through innovative solutions.
